Greater Houston Area, Texas

**BUILT FOR PROJECTS THAT REQUIRE CLEAR SCOPE,
COORDINATION, AND RELIABLE EXECUTION.**

JARO Construction & Remodeling, LLC is a Houston based construction and remodeling company supporting commercial, residential, and industrial projects across the Greater Houston Area.

We work with property managers, general contractors, business owners, real estate professionals, and property stakeholders who need a dependable construction partner for renovations, build-outs, structural improvements, repairs, and multi-trade scopes.

From commercial spaces and facility improvements to residential renovations and specialty construction, JARO brings practical planning, organized job site coordination, and direct communication from the first conversation through final walkthrough.

Our role is simple: help clients move from scope, plans, or repair needs to completed work with clarity, accountability, and workmanship they can trust.

Clear Communication. Reliable Execution.

DESIGN-BUILD + PROJECT MANAGEMENT

- ▶ Scope review
- ▶ Budget guidance
- ▶ Material planning
- ▶ Trade coordination
- ▶ Onsite management
- ▶ Closeout

COMMERCIAL CONSTRUCTION

- ▶ Full build-outs
- ▶ Tenant improvements
- ▶ Commercial renovations
- ▶ Storefront improvements
- ▶ Exterior & parking improvements
- ▶ Meeting rooms & lobbies
- ▶ Post-storm / disaster repair

INDUSTRIAL & SPECIALTY

- ▶ Metal building construction
- ▶ Warehouse & flex spaces
- ▶ Storage facility build-outs
- ▶ Structural framing & support
- ▶ Welding & bolt-up
- ▶ Concrete & slab work
- ▶ Facility improvements
- ▶ Design-build planning

RESIDENTIAL RENOVATION

- ▶ Kitchen & bathroom remodeling
- ▶ Additions & expansions
- ▶ Whole-home remodeling
- ▶ Patio & outdoor living
- ▶ Interior layout redesign
- ▶ Flooring & finishes
- ▶ Hurricane / storm repairs

JARO serves professional clients who need dependable construction execution, clear communication, and practical coordination across commercial, residential, and industrial scopes.

BUILT FOR

THE PEOPLE RESPONSIBLE FOR THE PROJECT.

From managed properties and commercial spaces to residential investments and specialty scopes, **JARO CONSTRUCTION & REMODELING** supports the decision-makers responsible for getting work planned, coordinated, and completed with accountability.

CLEAR SCOPE

Strategically aligning trades and schedules

COORDINATION

Trades, schedules, and access aligned

CLOSEOUT

Punch list completed with accountability

01 PROPERTY MANAGERS

Coordinate tenant improvements, unit turns, common area upgrades, repairs, and facility needs with a partner who respects building operations.

02 GENERAL CONTRACTORS

Reliable construction support partner for commercial scopes, finish work, build-outs, punch work, or specialty needs.

03 FACILITY MANAGERS

Capital improvements, structural work, interior renovations, and site upgrades with scheduled access and operational continuity.

04 BUSINESS OWNERS

Build out or renovate offices, retail, and service spaces with clear scope agreements, realistic timelines, and job site management.

05 REAL ESTATE & DEVELOPMENT

Support portfolio renovations, value-add improvements, pre-sale repairs, and property upgrades across commercial and residential scopes.

06 PROPERTY OWNERS & INVESTORS

New construction, renovations, structural improvements, and remodeling scopes on single and multi family properties.

MULTIPLE SCOPES. ONE COORDINATED PATH FROM PLANNING TO COMPLETION.

**A PRACTICAL
PROCESS FROM
SCOPE REVIEW
TO FINAL
WALKTHROUGH.**

01

SCOPE REVIEW & CONSULTATION

We start with your scope of work, not a sales pitch. Initial consultation covers project goals, current conditions, constraints, and decision criteria.

02

SITE & PROJECT EVALUATION

Our team walks the project, documents existing conditions, identifies potential scope additions, and confirms what's needed to start construction correctly.

03

BUDGET & MATERIAL GUIDANCE

We provide clear budget estimates with material options, grade comparisons, and lead times so decisions are made before construction begins, not during it.

04

PLANNING, LAYOUT & DESIGN COORDINATION

Spatial planning, layout review, and design coordination are handled before mobilization. Renderings and previews available for client-facing projects.

05

PERMITS & SCHEDULING SUPPORT

We manage permit requirements, scheduling logistics, and trade coordination so the project can move efficiently from mobilization through close.

06

CONSTRUCTION & JOBSITE MANAGEMENT

Active projects are supported with owner-level oversight, dedicated supervision, organized job site practices, and consistent client updates.

07

FINAL WALKTHROUGH & CLOSEOUT

Project closeout includes a structured walkthrough, punch list completion, final documentation, and confirmation that the scope was fully executed.

One point of coordination for multi-trade construction scopes.

JARO Construction & Remodeling coordinates multiple trades under one project lead helping property managers, general contractors, and project owners reduce communication gaps, scheduling conflicts, and handoff delays.

STRUCTURAL, EXTERIOR & SPECIALTY

- ▶ Wood & metal framing
- ▶ Structural support work
- ▶ Metal building erection
- ▶ Bolt-up & welding
- ▶ Concrete & flatwork
- ▶ Slab preparation
- ▶ Roofing coordination

MEP & TRADE COORDINATION

- ▶ Plumbing rough-in & finish
- ▶ Electrical rough-in & finish
- ▶ HVAC coordination
- ▶ Permit & inspection support

INTERIOR FINISHES

- ▶ Carpentry & millwork
- ▶ Drywall & finishing
- ▶ Flooring: tile, hardwood, LVP
- ▶ Cladding, painting & coatings
- ▶ Cabinetry & built-ins

**FEWER HANDOFFS. CLEARER COMMUNICATION.
BETTER PROJECT CONTROL.**

REPUTATION & TESTIMONIALS

★★★★★ 5.0 Google Rating

“

ExtemeFab has always appreciated quality and service. So when it comes to our construction needs, we appreciate the excellent service and experience that JARO Construction and Remodeling LLC provides. We don't think twice and will always call JARO Construction and Remodeling.

Salvador Martinez  **Extreme Fab, Inc.**

“

Exceptional team from start to finish. Turned a hurricane-damaged space into a stunning kitchen. The transformation exceeded our expectations....

Blanche C. · Verified Google Review

“

World class service with excellent communication, fairness, and timeliness. Workers were punctual and the work was exceptional. Highly recommend...

Aaron O. · Verified Google Review

“

JARO Construction and Remodeling always did a great job in communicating on all our projects. From metal buildings, remodeling and concrete repairs. They always came through for me.

Edgar Morectezuma

“

Skilled and knowledgeable builders working quickly and professionally. Metal building construction was completed on time. Very satisfied with the result....

Pablo G. · Verified Google Review
